

BAFTS (The British Association for Fair Trade Shops and Suppliers) was set up in 1995 by Aileen Garden, then Manager of Gateway World Shop, in the City of Durham. We originally provided a membership organisation mainly for handicrafts' shops selling fair trade goods, and now include suppliers too. We do not provide certification for members or their products.

We currently have about 130 members; a mixture of shops and suppliers. If you are interested in joining us, please go to www.bafts.org.uk/joinbafts for all the information which you require.

BAFTS is a vibrant network of retailers and wholesalers dedicated to furthering the promotion of fair trade retail in the UK. BAFTS is also a member of the WFTO. WFTO (The World Fair Trade Organisation) prescribes 10 Principles that Fair Trade Organisations must follow in their day-to-day work and carries out monitoring to ensure these principles are upheld.

- 1: Creating Opportunities for Economically Disadvantaged Producers
- 2: Transparency and Accountability
- 3: Fair Trading Practices
- 4: Payment of a Fair Price
- 5: Ensuring no Child Labour/ Forced Labour
- 6: Commitment to Non Discrimination, Gender Equity and Freedom of Association
- 7: Ensuring Good Working Conditions
- 8: Providing Capacity Building
- 9: Promoting Fair Trade
- 10: Respect for the Environment
